

Minutes for April 11, 2022, Work Session, gaveled into session at 8:30 a.m. The meeting was called to order by Mayor Garry who led in the pledge to the Flag.

Terry Necciai, 400 Meade Street informed Council that The Monongahela Main Street Program was notified of a Walkworks Grant to improve health by encouraging walking, bicycling, and public transit it is a \$10,000.00 to \$15,000.00 grant with no match to bring someone in to help identify ways to have better walkability and connectivity in the City that the City has to apply for; the Mounds Fest activities; the chocolate event on May 14th; and they are planning to do the Horse Promenade again.

Janet Rosund, 1007 Thomas Street and she gave additional information about the Walkworks Grant and the horse carriage planned for the Mounds Fest.

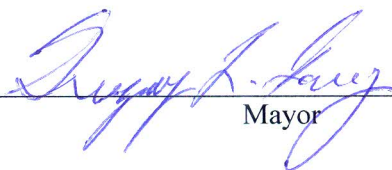

Christine Somales, 808 West Main Street informed council regarding information she learned with dealing with condemned properties about Historic Designation and Historic Eligibility and asked council to review some of the information available about 106 review and some other options as opposed to strictly designation which may help with the issues the City has encountered with the demolition of the Ninth Street house. The City should look into setting up a conservation area or a stewardship program which gets the community involved.

Ron Thompson from Spring City presented information to council for improving the lighting from the 100 plus street lamps along Main Street, showed council samples of luminaires to replace the ones the City currently has, costs to replace the existing luminaires, and there is a ten year warranty on them.

There was discussion that there are two different luminaires that are being are being considered for the replacement and the replacement would only be the top light portion not the entire lamp post and light there is a sample of the new lighting in front of the old Community Bank Building.

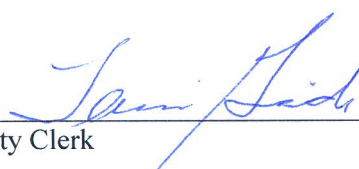

Councilwoman O'Brien stated they will be presenting an ordinance amendment for no parking on one side of Fifth Avenue and she is waiting on the state for approval of the Health Officer. There are several grant application that they are looking into for the new street lights and if the City is approved for one of the grants the project wouldn't take place until next year. There are several associations that are willing to start funding and she will need to submit all the information to the associations.

Mayor Garry stated that since there was no further business to discuss that the work session is closed.
